

IPC

A World Leader in IT Support Products

Do you enjoy making new friends on Facebook? Do you love to see the latest movie or hear the most popular original song on your iPod? What about all those cool new apps available for your smart phone? Yes, for sure, the latest technology is full of glitz, glamor and fun, but did you ever stop to think what is behind all these modern marvels? Well, if you have, you'll find it's a bunch of pretty boring machines, servers to be exact—millions of them worldwide, working hard to provide you with all that techno-magic you enjoy every day. There's no getting around it, that in this the 21st Century, the future in commerce, governance and culture lies in the further use and development of Information Technology. As the number of servers and other computer hardware components continues to expand globally, there will be an increasing need for IT functional hardware support products. The requirements of server maintenance and upgrades demand the use of ball bearing hardware products to allow access for such service. With over thirty years experience in the design, development and manufacturing of ball bearing drawer slides for the office products, kitchen and bath, RV and security products industry, Repon is well positioned to meet your IT support technology needs as well. We manufacture top quality server slides in the 1U through 3U and above capacities with optional toolless brackets. We are ISO 9001:2008 and RoHS certified. Contact us at Repon to learn more about our standard and specialty IT support products.

Slides into Your Life

REPON - The Brand New Server Slides

The super slim but high loading profile and patented "  SB Tool-less "

Inspired by jaw of stag beetle, Repon named its brand new tool-less device as " SB Tool-less " and launched a series of server slides equipped with state of the art mechanism.

" SB Tool-less " features effortless installation and robust engagement. The key element is the one piece antler-shaped clamp made out of the most durable and tough spring steel,

which allows repetitive install/uninstall and strength to hold the chassis in place.

Repon " SB Tool-less " series offer a wide range of selection. The load is from 45kgs to 180kgs and chassis width from 430mm to 438mm.

 SB Tool-less

1U~2U NJ-21A58

Side Clearance | 9.5mm (functional space) maximum chassis width 430mm.

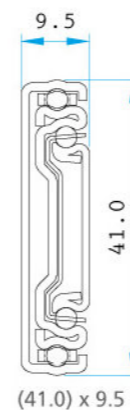

Height | 44.0mm (including bracket)

Loading | 100 lbs (45kgs) class for 5000 cycles in 26" long

Size | 26" , 28"

Feature | SB tool-less, lock out

Finish | RoHS compliant zinc plating

 SB Tool-less

3U or 3U+ NJ-21D58

Side Clearance | 5.2mm (functional space) maximum chassis width 438mm.

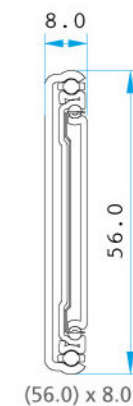

Height | 62.6mm (including bracekt)

Loading | 180 lbs (80kgs) for 5000 cycles in 26" long

Size | 26" , 28"

Feature | SB tool-less, super thin profile for 438mm wide chassis, lock out

Finish | RoHS compliant zinc plating

 SB Tool-less

3U or 3U+ NJ-81D58

Side Clearance | 9.5mm (functional space) maximum chassis width 430mm.

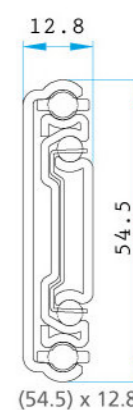

Height | 58.3mm (including bracket)

Loading | 200 lbs (90kgs) for 5000 cycles in 26" long

Size | 26" , 28"

Feature | SB tool-less, lock out

Finish | RoHS compliant zinc plating

Screw Mount

1U NJ-13002

Side Clearance | 9.11mm(functional space) Maximum chassis width 430mm with brackets behind the rail.
6.5mm(functional space) Maximum chassis width 437mm with brackets in front of rail.

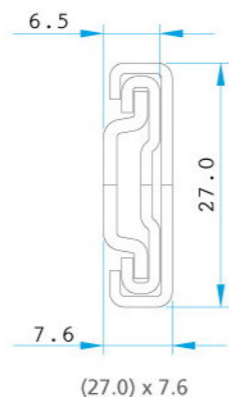

Height | 30mm (including brackets)

Loading | 50 lbs(22kgs) for 1000 cycles in 26" long

Size | 16" through 28" in 2" increment

Feature | lock out design, key slot for shoulder rivet, 52 mm over travel

Finish | RoHS compliant zinc plating

Screw Mount

1U~2U NJ-23001

Side Clearance | 9.5mm(functional space) without brackets

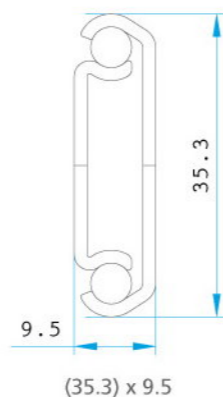

Height | 1-25/64" (35.3mm) excluding brackets

Loading | 50 lbs (22kgs) class for 5000 cycles in 18" long

Size | 12", 14", 15", 16", 18", 20", 22", 24", 26"

Feature | Low profile for shallow drawers, shelves or trays. Metal latch detent in/lock function in extended position for easy drawer removal and industrial cabinet applications.

Finish | RoHS compliant zinc plating

Screw Mount

1U~2U NJ-21A12

Side Clearance | 9.5mm (functional space), maximum chassis width can be 430mm.

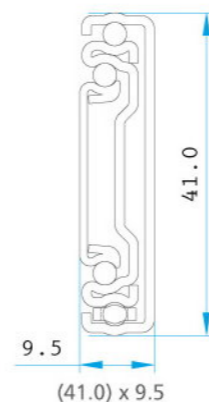

Height | 44.0mm (including brackets)

Loading | 100 lbs (45kgs) class for 5000 cycles in 26" long

Size | 20" through 26" in 2" increment.

Feature | Patented front activating lock open / quick release latch, ball retainer stay open device, super low deflection.

Finish | RoHS compliant zinc plating

Tool-Less

1U~2U NJ-21A22

Side Clearance | 9.5mm (functional space) Maximum chassis with 430mm

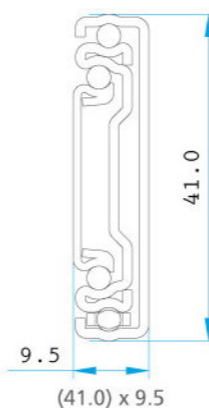

Height | 44.0mm (including brackets)

Loading | 100 lbs (45 kgs) for 5000 cycles in 26" long

Size | 26"

Feature | Patented tool-less bracket design, lock out design

Finish | RoHS compliant zinc plating

Screw Mount

2U~3U NJ-81012

Side Clearance | 14.3mm (functional space) Maximum chassis width 430mm (rear mount)

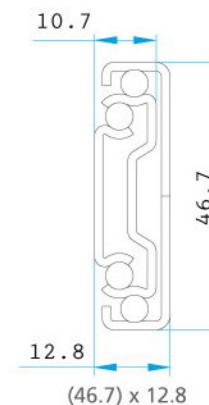

Height | 49.7mm (including brackets)

Loading | 130 lbs (59 kgs) for 5000 cycles in 26" long

Size | 12", 14", 16", 18" 20", 22", 24", 26" *bracket available for 20" or longer sizes.

Feature | lock out

Finish | RoHS compliant zinc plating

Screw Mount

3U or 3U+ NJ-81D01

Side Clearance | 5.2mm (functional space) Maximum chassis width 438mm or less

Height | 62.6mm (including brackets)

Loading | 180 lbs (80 kgs) for 5000 cycles in 26" long

Size | 26"

Feature | super heavy loading

Finish | RoHS compliant zinc plating

 Screw Mount

3U or 3U+ NJ-76043

Side Clearance | 19.0mm (functional space without brackets)

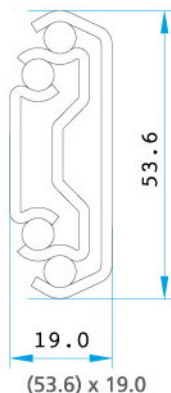

Height | 53.6mm (excluding brackets)

Loading | 250 lbs (112 kgs) for 5000 cycles in 26" long

Size | 300mm~900mm at 50mm increment

Feature | lock out

Finish | RoHS compliant zinc plating

 Screw Mount

3U or 3U+ NJ-76J01

Side Clearance | 3/4" (19.0mm) (functional space) without brackets

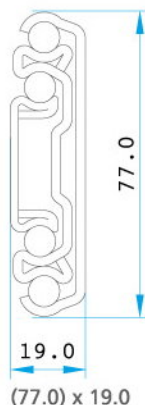

Height | 3.03" (77.0mm) excluding brackets

Loading | 400 lbs (180kgs) based on side mount, and drawer dimension W40" (1000mm) X 18" (450mm), guaranteed 10,000 cycles, double-folded inner and intermediate member.

Size |10" through 42" at even increment, extra long size 48", 50", 52", 54", 56", 58", 60", 62", 64", 66", 68", 70", 72"

Feature | Extra heavy load, extremely silent movement. Silencing bumpers.

Finish | RoHS compliant zinc plating
